Logo

Possibility of print on the chest pocket. When applying transfers on this product, the insulation can become slightly damaged by the heat. We recommend a transfer type that does not spread out on the product.

The product is certified with maximum 0,5100m² logo area. This approved area must not be exceeded. Logo respectively on the front or back of the product, can only constitute a maximum of 50% of the total approved logo area in order to maintain the EN ISO 20471-certification. Note: The listed area is only a guide to how much space is available for logo placement. In order to maintain the product's hi-vis class according to EN ISO 20471, the instructions on logo size must be observed.

Logo placement:

- Workwear logo stretch. Left breast pocket. Max 8x7 cm/3.1x2.7 inch
- Workwear logo. Special placement. Contact to discuss further
