Industrial care category C2

- Easy and flexible placement on trousers, shorts and 3/4-length trousers via the Click Pocket System.
- Developed in collaboration with tradespeople to match your needs.
- If you are in need of more space, you can add additional holster pockets.
- When the weather changes, you can easily transfer your holster pockets from trousers onto 3/4-lengths or shorts.

Technical info

Set of two holster pockets. Can be attached easily and individually via Click Pocket System. Highly durable with many pockets, all of which are closed at the bottom. One holster pocket has two spacious pockets and a third pocket with a zip. The other has two large spacious pockets, two straps and one smaller pocket for tools. Strap for hanging after removal. Measures 20 x 25 cm. The tools shown in the pictures are not included. The pictures only show examples of how the holster pockets can be used.

Certifications

- OEKO-TEX® STANDARD 100
