-----------------------------	------------------------	--	-----------------------------	--	--------------------------

- Very durable safety sandal in a breathable fabric for increased comfort around the entire foot.
- A ladder grip beneath the sole ensures optimum grip on the rungs of the ladder and helps prevent slips.
- Very durable, slip-resistant PU outer sole that's heat-resistant up to 140°C.
- Composite toe cap and TPU-reinforced scuff cap ensure the necessary protection and make the shoes extra durable.
- Hook & loop band fastening, which can be shortened.

Technical info

Metal free. Fastening with hook and loop band. Composite toe cap. Nail protection of special textile material. Stabilising multi-functional shank with integrated absorbing cushioning. Light moulded scuff cap. Non-marking sole - no scuff marks. Two-component sole of PU/PU. Heat resistant sole up to 140°C. Profile depth 2.5mm. Ladder grip. Shock-absorbing insoles are removable, durable and ergonomic. Absorbs and removes moisture. Textile breathable lining. Heel cap. Sole is oil and petrol resistant.
