Textile

Size 42: 610 g

- Elastic uppers of durable textile almost feel like an extra sock – they fit close and flexibly to the foot and deliver high comfort.
- Removable insole with optimal arch support that can counteract the tendency to flat foot.
- The flexible and light MASCOLAYER® textile nail protection guarantees optimum protection and excellent walking comfort.
- The composite toecap is completely free of metal. The composite material does not conduct heat or cold, so the composite toecap provides extra comfort in both hot and cold surroundings.
- ETPU inserts in the sole effectively absorb shock, protecting your legs and back with every step.
- Shock-absorbing, soft and flexible two-component sole of PU/PU.
- ESD Approved.
