Size 42: 498 g

- Excellent comfort with a unique shock-absorbing midsole made of TPU and eTPU.
- High energy return which makes the shoe feel light to have on all through the working day.
- Get a stable footing thanks to enormously slip-resistant rubber outer soles.
- Light and flexible shoe with a durable, textile upper that has been tested for your day-to-day as a tradesperson.
- Good fit thanks to BOA® Fit System.
- Also available in women's sizes.

Technical info

The front part of the shoe bends flexibly with the foot. Uppers made of durable fabric. The outer material is breathable and easily leads heat and moisture away from the foot. Opens and fastens with BOA® Fit System, which consists of a rotational dial, wire and guides. Composite toe cap. Nail protection of special textile material. Shock-absorbing, soft and flexible insole. Insoles are removable. Midsole of TPU and eTPU. Suitable for working on the knees. Sole made of rubber with extreme slip resistance. The sole is oil and petrol resistant. ESD approved to EN IEC 61340-4-3: 2018, EN 61340-5-1: 2016.
